

Absent From Flesh [Lyrics]

Jamie Barnes

Verse 1

Absent from flesh O blissful thought
What joy this moment brings
Freed from the blame my sin has brought
From pain and death and its sting

Verse 2

Absent from flesh O glorious day
In one triumphant stroke
My reckoning paid my charges dropped
And the bonds round my hands are broke

Chorus 1

I go where God and glory shine
To one eternal day
And this failing body I now resign
For the angels point my way
For the angels point my way

Verse 3

Absent from flesh then rise my soul
Where feet nor wings could climb
Beyond the sky where planets roll
And beyond all keep of time
