

Raise Your Voice [Lyrics]

Luke Sowers, Drew Hodge

Verse 1:

When my spirit breaks; and my days are gone
To the grave my heart is drawn
When the wind and waves start to crash and roar
They push me to my Father's shore

Verse 2:

When the arrows pierce, and my flesh has failed,
All His mercy seeming veiled;
For His hands can wound but His hands can heal
I'll sing for joy to be revealed

Chorus:

Lift your hands, raise your voice!
Shout to God a joyful noise!
In the night; In the day
Our God is greatly to be praised

For our God is Good; and His love is strong
His faithfulness; sure as the dawn
Every morning brings a refreshing dew
We rise, we sing "His grace is new"

Chorus:

Lift your hands, raise your voice!
Shout to God a joyful noise!
In the night; In the day
Our God is greatly to be praised

Bridge/Verse 3:

You give and take away. Blessed be Your name

When all breath is gone, and death seems to win.
We rise, we sing, "My Savior lives!"
