

Christ is All [Lyrics]

Sarah Kelly

VS 1

The image of the unseen God; Creator of all things
In heav'n above and earth below, the ultimate authority
He is before all things and in Him all things live and move
and breathe.

CH

Christ is all. He is our Sovereign God, our King.
And with His blood He was the perfect offering.
For we who once were enemies, He now presents us clean.
Christ is all.

VS 2

The head of all the body, the Church, His spotless bride,
His love for us extends to death, in Him we safely hide.
One day we'll all be gathered in and forever will abide.

VS 3

So, we set our minds on things above, not on what we see.
Our lives are dead, we live in Him, the author of eternity.
When Christ who is our life appears, we will be with Him in
glory.
