

Jesus You Reign [Lyrics]

Drew Hodge

You came unto your own and then your own received you not.
Light of the world you are but we all chose the dark.

Pre.
Be lifted up. Jesus draw us!

CH
Jesus You reign forever the same
In Heaven and on earth and in my heart You are the King
Jesus You reign You will remain
Seated on the throne above name above all names
Jesus You reign, Jesus You reign

VS 2
You created everything and by Your word sustain
Still You died and took our place, a prize Your blood obtained.
