

# Saved By Grace [Lyrics, 140 bpm, 6/8]

Drew Hodge

## **VS**

Dead in my sins, unable to come.  
Blind to the light of His mercy and love  
In love with the world and the passions of flesh  
Happy to be a child of wrath

## **Pre**

But God, rich in His mercy and love  
Has made me alive

## **CH**

By Grace I have been saved by the light of amazing grace.  
This dead soul has been raised through faith.  
I was saved by grace I have been saved by the light of amazing grace  
This dead soul has been raised through faith.  
I was saved by grace.
