

To The Table [Lyrics]

Caitelen Schneeberger

VS 1

Weary soul, no longer tarry
foolish heart, no longer stray
In the shadow of the valley
find your rest in Christ this day

CH

To the table, we come, thirsty
To the table, we come dry
At the table, we find mercy
Taste and see that Christ is life

VS 2

For the body he surrendered
For his blood our pardon won,
We return and we remember
Him who saves, whose work is done

VS 3

When in glory we behold him
Seated at his fathers side
We'll be welcomed at the table
As his blood-washed, spotless Bride
