

# Great Things [Lyrics]

Luke Sower, Drew Hodge

## Verse:

I was pushed back, and about to fall, but God he helped me  
I could feel the flames, they surrounded me, but the Lord he saved me

## Pre chorus:

My God is my strength and my song, He has become my salvation

The Lord has done great things, great things! It's because of my Savior  
that I sing, I will sing: "He has done great things!"

## Verse 2:

I will never die, I will ever live- Oh the Lord, he saved me  
To recount His deeds, and His discipline- evermore, He saved me!

Hallelujah, Hallelujah, Hallelujah He saved me!
