

Who Is This Man [Lyrics, 60 bpm, 4/4]

[DSC]

Verse 1

Who is this man come to die
Beloved son from on high
God and man to make us one
King and a kingdom come

Verse 2

Who is this man on the way
Power and love on display
Cleansing healing every stain
Washing our guilt away

Verse 3

Who is this man hanging there
On a tree our shame to bare
For our sin for His prize
The Lamb of God had died

Verse 4

Who is this man risen high
Once dead now very alive
Empty tomb filled with light
This man is Jesus Christ!
