

# Jesus Shall Reign [C]

[DSC] by Isaac Watts, Ryan Foglesong

## Verse 1

C                              F              C  
Jesus shall reign where ever the sun  
G              Am      F              G  
Does its successive journeys run;  
C              Am              F              G  
His kingdom spread from shore to shore,  
C              F              C      Bb      F  
Till moons shall wax and wane no more.

## Chorus

                    Am      F      C                      G      Am  
He shall reign in glory, crowned with grace and might.  
                    F              C              F              G  
Bless His name and praise our sovereign King  
F              Am      F      C              G      Am  
He shall reign forever with His chosen Bride,  
                    C/E              F              G              C-F  
And all the Earth shall sing that Jesus is the King!

## Verse 2

C                              F              C  
People and realms of every tongue  
G              Am      F              G  
Dwell on His love with sweetest song,  
C              Am      F              G  
And infant voices shall proclaim  
C              F              C      Bb      F  
Their early blessing on His name.

## Verse 3

C                              F              C  
Let every creature rise and bring  
G              Am      F              G  
His grateful honors to our King;  
C              Am              F              G  
Angels descend with songs again  
C              F              C      Bb-F  
And Earth repeat the loud "Amen!"
