[DSC] by Frederick Hedge and Martin Luther

## Verse 1

**A**                    **D**        **A-D-F#m**                    **D** **A-D**  
A mighty fortress is our God, a bulwark never failing  
**A**                    **D**        **A-D-F#m**                    **D** **A**  
Our Helper He amid the flood of mortal ills prevailing  
      **F#m**    **E/G#** **A**                                    **E/G#-F#m**  
For still our ancient foe, doth seek to work us woe  
      **F#m**    **E/G#**    **A**                    **D**                    **C#m**  
His craft and power are great, and armed with cruel hate,  
**D**                    **E/G#-A-D-A-D**  
On earth is not his e-----qual

## Verse 2

**A**                    **D**        **A-D-F#m**                    **D** **A-D**  
If we in our own strength confide, our striving would be losing  
**A**                    **D** **A-D-F#m**                    **D** **A**  
Were not the right Man on our side, the Man of God's own choosing  
      **F#m** **E/G#**    **A**                                    **E/G#-F#m**  
You ask who that may be? Christ Jesus, it is He  
      **F#m** **E/G#**    **A**                    **D**                    **C#m**  
The Lord of host; His Name, from age to age the same,  
**D**                    **E/G#-A**  
And He must win the bat---tle

**D-F#m** **D-A**    **D-F#m** **D-A**    **D**  
Halle----lu-jah    Halle----lu-jah

## Verse 3

**A**                    **D**        **A-D-F#m**                    **D** **A-D**  
And though this world with devils filled, should threaten to undo us  
**A**                    **D**        **A-D-F#m**                    **D**        **A**  
We will not fear, for God hath willed, His truth to triumph through us (repeat)
