

God Moves In A Mysterious Way [C]

[DSC] by William Cowper, Drew Hodge

C F C
God moves in a mysterious way
Am F C
His wonders to perform;
C F C
He plants His footsteps in the sea
Am F C
And rides upon the storm.
Am G F C Gsus
Judge not the Lord by feeble sense,
Am G F C
But trust Him for His grace;
Am G F C/E F-G-Am
Behind a frowning providence
C G Am
He hides a smiling face.
C G C
He hides a smiling face.

C F C
Deep in His dark and hidden mines
Am F C
With never-failing skill
C F C
He fashions all His bright designs
Am F C
And works His sovereign will
Am G F C Gsus
O fearful saints, new courage take;
Am G F C
The clouds that you now dread
Am G F C/E F-G-Am
Are big with mercy and will break
C G Am
In blessings on your head.
C G C
In blessings on your head.

C F C
God's purposes will ripen fast,
Am F C
Unfolding every hour;
C F C
The bud may have a bitter taste,
Am F C
But sweet will be the flower.
Am G F C Gsus
Blind unbelief is sure to err
Am G F C
And scan His work in vain;
Am G F C/E F-G-Am
God is His own interpreter,
C G Am
And He will make it plain.
C G C
And He will make it plain.

Chorus
C F G
Let me remember my song
C C/E F Am G
Let my heart meditate all night long
C F G
I will appeal to the **LORD**
C C/E F Am G
I will sing praises forevermore
F G Am F G C
For He is good, and He is right
