

# Lord, We Come to Hear Your Word [B]

[DSC] by Kenneth A. Puls, Drew Hodge

## Verse 1

**B**  
Lord, we come to hear Your Word.  
**E**                    **G#m**            **F#**  
Shine Your light! Unsheathe Your sword!  
**B**  
Send Your Spirit forth in pow'r.  
**E**                    **G#m**            **F#/G#**  
Come and bless Your church this hour.  
**E**                    **G#m**            **F#**  
We confess, our thoughts have strayed;  
**E**                    **G#m**            **F#/G#**  
Minds distracted and dismayed.  
**E**            **G#m**            **F#**  
On the Son fix now each thought;  
**E**            **F#**                    **B**  
Help us worship as we ought.

## Verse 2

**B**  
Lord, as we prepare to hear,  
**E**                    **G#m**            **F#**  
Wake each soul, unstop each ear.  
**B**  
Conquer every stubborn heart;  
**E**                    **G#m**            **F#/G#**  
Mercy, saving grace impart.  
**E**                    **G#m**            **F#**  
We confess, without Your grace,  
**E**                    **G#m**            **F#/G#**  
Vain our efforts in this place.  
**E**            **G#m**            **F#**  
Send illumination's light;  
**E**            **F#**                    **B**  
Open eyes and give us sight.

## Verse 3

**B**  
Lord, we lift up to Your care  
**E**                    **G#m**            **F#**  
Him who stands now to declare  
**B**  
Truth that teaches, warns, consoles;  
**E**                    **G#m**            **F#/G#**  
Bless this feast to feed our souls.  
**E**                    **G#m**            **F#**  
For Your Word, O Lord, we yearn;  
**E**                    **G#m**            **F#/G#**  
Empty, let it not return.  
**E**                    **G#m**            **F#**  
Come, accomplish all Your will  
**E**                    **F#**                    **B**  
Draw, convict, give life and fill.  
**E**                    **F#**                    **B**  
Draw, convict, give life and fill.
