

# Lo He Comes With Clouds Descending [Lyrics]

[DSC] by John Gennick, Martin Madan, Henry Thomas Smart, and Charles Wesley

## Verse 1

Lo He comes with clouds descending  
Once for favored sinners slain  
Thousand thousand saints attending  
Hail the King who comes again  
Ha---lle--lu----jah Ha--lle---lu----jah  
God appears on earth to reign

## Verse 2

Every eye shall now behold Him  
Robed in dreadful majesty  
Those who mocked despised and sold Him  
Pierced and nailed Him to the tree  
Dee--ply mourning Dee-ply mourning  
Shall the true Messiah see

## Verse 3

Now redemption long expected  
See with solemn joy appear  
All His saints by man rejected  
Meet their Savior in the air  
Ha---lle--lu----jah Ha--lle---lu----jah  
See the day of God appear

## Verse 4

Yes amen let all adore Thee  
High on Your eternal throne  
Savior take the power and glory  
Claim the kingdom for Your own  
Come Lord Je---sus Come Lord Je----sus  
O come quickly O come quickly  
Everlasting God come down
