

Our Delight [Lyrics]

[DSC] by Chris Elliot

Verse 1

Praise awaits you O Lord in Zion, Praise awaits you O God, Here as well
The angels praise you O Lord, we join them in
Adoration of You our Sovereign God
Blessed are those you choose and bring near to you
Bid them into your courts, live in you house

The heavens praise you O lord, we join them in
Adoration of you, we are compelled

Chorus:

You are our delight, you are righteousness, You are all our songs, You are glorious
You are all our hopes, you are all our dreams, You are all our breath, you are everything

Verse 2

Adoration O Lord, in Zion, Adoration O God, here as well
Reverently O Lord, we praise you
Write your name on our hearts and in our minds

Bridge:

And we must pine for you, nothing else will do
Our hearts they yearn for you
For you are our delight
