

Kyrie (Lord Have Mercy) [Lyrics]

[DSC] by Drew Hodge

VS 1

We cry out, Lord hear now. Our sins are too much to hold
We bow down, confess now. We stand bare before Your throne.
Clothe us in Your grace.

VS 2

All guilty, unworthy. We fall down at Your feet
Wash our tears, rest our fears.
We believe, help our unbelief. Clothe us in Your grace

CH

Lord have mercy, Lord have mercy, Lord have mercy on us.

VS 3

Cover us, King Jesus. With Your blood wash us white.
Adopted, Your children. Transferred from death to life.
You clothed us in Your grace.
