

# Under Your Reign [Lyrics]

[DSC] by Drew Hodge, Matt Jones

## Verse 1

No other name on earth can save  
No other Reign can rule our hearts  
No other king has ruled the grave  
No other brings new life, new hearts  
Let all his people proclaim

## Chorus

Under Your reign under Your throne  
We confess we are not our own  
You have brought us in and called us home  
We will sing so all will know  
Am - -  
and worship You alone

## Verse 2

We were made to bend the knee  
Made to bow before the king  
Made to give our lives following  
The only lord of history.  
As one his people will say

## Bridge

His name is Jesus  
His death has freed us  
The grave defeated  
Jesus is our king.
