

Psalm 127 [Lyrics]

[DSC] by Sarah Kelly, Drew Hodge

Verse 1

Unless the Lord builds the house
Those who build will work in vain
Unless the Lord guards this place
Those who watch will wait in vain

Pre 1

Lay down your weary head
Put down your anxious bread and sleep

Chorus

Remember now, remember then
The Lord is good and kind
He keeps, He guards, He will provide
Our every need supply

Verse 2

Our loving Lord gives a child
A heritage and true reward
With his arrows the warrior smiles
Happy is the quiver filled

Pre 2

As they shape and grow
His enemies will know and flee
